STEP ❷
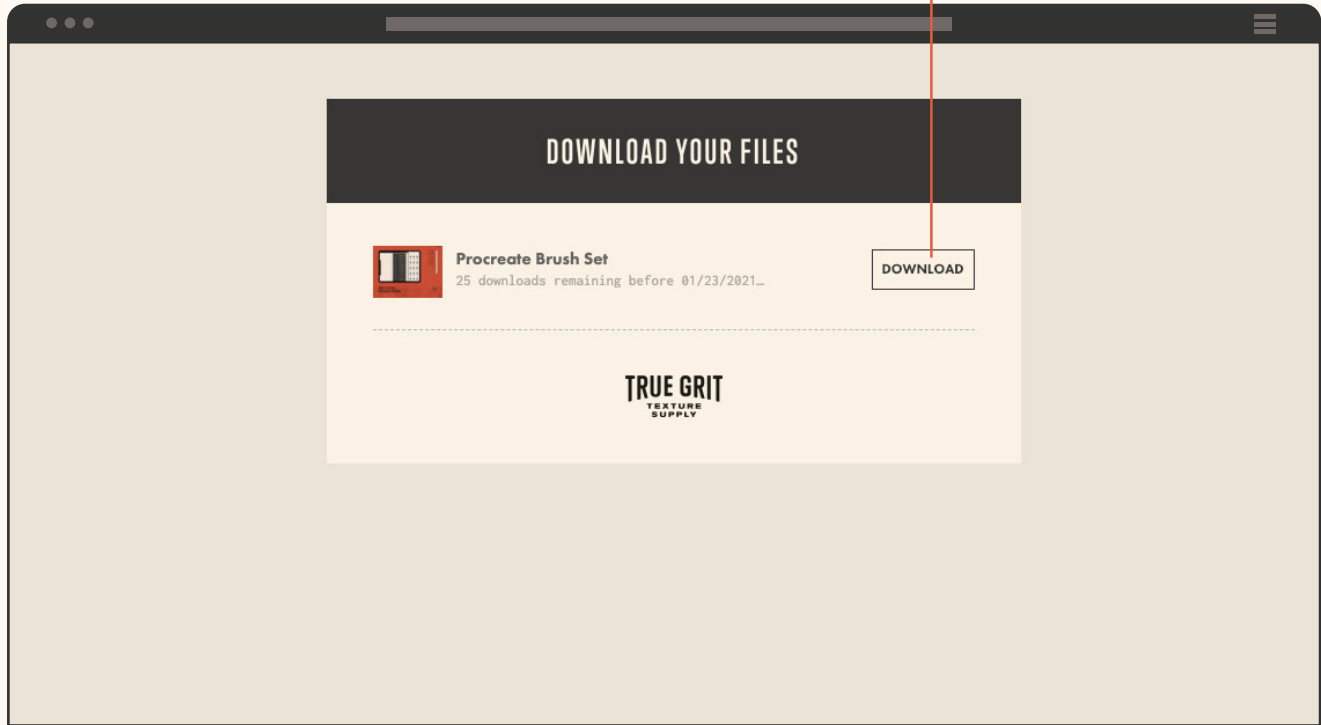

Double-click to extract the .zip archive then open
the extracted folder containing your brushset file.

STEP ❸
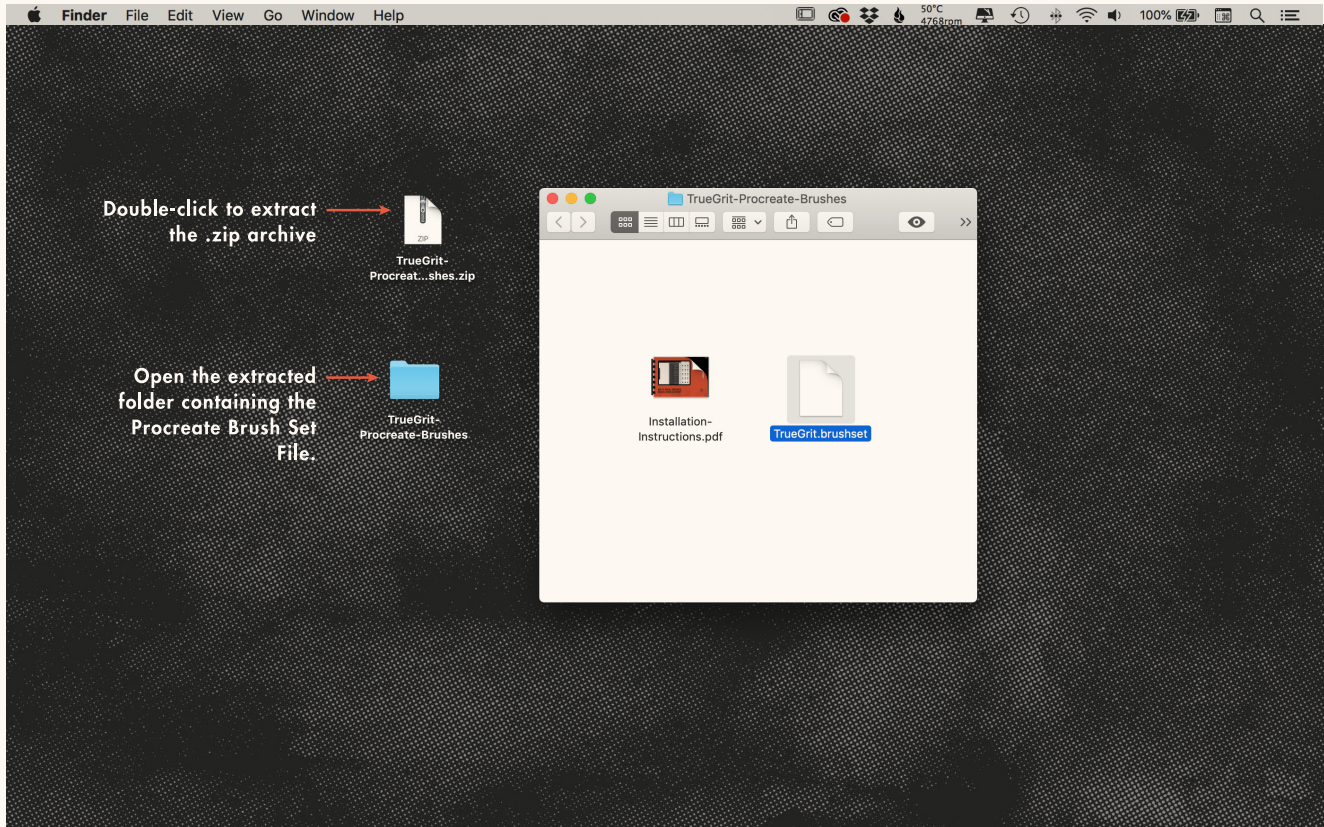

Right-click the Procreate Brush Set file (file extension .brushset) and go to **Share > AirDrop.**

STEP 4
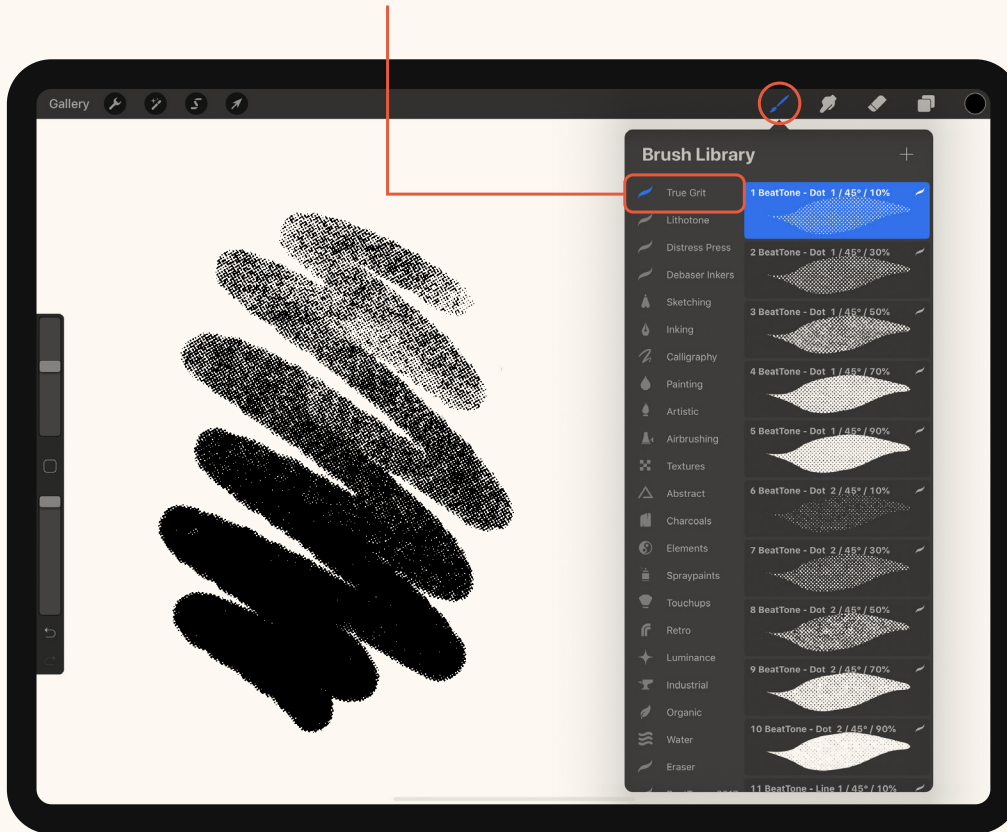

Choose your iPad as the AirDrop destination

TIP:
If your iPad does not appear make sure your iPad is open and connected to the same WiFi network as your Desktop.

SUCCESS!

Fire up Procreate and you'll find your brushes ready and waiting in a new brush set at the top of the Brush Library.

NEED TO INSTALL MORE BRUSHES?
